

hqht\_plus\_r::load\_hqhtr

```
graph LR; A[hqht_plus_r::load_hqhtr] --> B[hqht_plus_r::hqhtr_factor]
```

A diagram showing a function call to a variable. On the left, a gray rectangular box contains the text 'hqht\_plus\_r::load\_hqhtr'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'hqht\_plus\_r::hqhtr\_factor'.
